AMENDMENT AFTER ALLOWANCE UNDER 37 C.F.R. § 1.312 dated August 5, 2008

Reply to Notice of Allowance and Fees Due of August 20, 2008

Amendments to the Drawings:

As shown on the attached marked-up sheets, applicants amended FIG. 3A1 to state that "caller enters ten digit telephone number using keypad on telephone" to be consistent with Step 152 and Step 142 as shown on FIG. 3A1 as well as page 12. Similarly, on FIG. 5A2, the word month and the word day were inadvertently switched. The word month now correctly is recited in response to a request for a two digit month (Step 258) and the word day is properly stated after a request for a two digit date (Step 260).

REMARKS

Marked-up drawing sheets of FIG. 3A1 and FIG. 5A2 are provided to correct obvious errors. Specifically, as shown on the attached marked-up sheets, applicants amended FIG. 3A1 to state that "caller enters ten digit telephone number using keypad on telephone" to be consistent with Step 152 and Step 142 as shown on FIG. 3A1 as well as page 12. Similarly, on FIG. 5A2, the word month and the word day were inadvertently switched. The word month now correctly is recited in response to a request for a two digit month (Step 258) and the word day is properly stated after a request for a two digit date (Step 260). Other figures had minor grammatical or spelling errors corrected that didn't materially change the meaning of the drawings. Thus, the figures themselves fully support this amendment and no new matter was added. These corrections are included in a separate submission of Formal Drawings. Entry and consideration are respectfully requested.

The Commissioner is hereby authorized to charge any additional fees which may be required with respect to this communication, or credit any overpayment, to Deposit Account No. 06-1135.

Respectfully submitted,
